

The Camden Learning Centre visits school

This week, Years 2 and 3 hosted a visit from the Camden Learning Centre. Year 2 worked with BeeBots to practice basic programming, exploring directional language and giving instructions. They used mats to guide the real BeeBots from one place to another, reinforcing their understanding of programming concepts.

In Year 3, children used the BookCreator App to create their first eBook on the Amazon rainforest. They researched their topic thoroughly and considered the purpose, audience, and design for their eBook presentations.

A fantastic learning opportunity for all involved.

3 Hazel: Planting Carrots

3 Hazel participated in a gardening lesson with Mr Smith in our beautiful roof garden.

They started the lesson by eating some fresh carrots from the school garden, which were planted by last year's Year 3 classes. They then made special glue and measured specific lines so that they could plant new carrots for next year's classes.

They had lots of fun!

Year 4 Tennis Squad

Congratulations to our Year 4 tennis squad for some brilliant performances in the Camden Schools Tournament at Parliament Hill Fields Courts.

Our B team finished as runners-up while our A team finished in 4th place.
