

## Year 4 Art Project: Art Camp London

Year 4 took part in an art project run by Art Camp artist and teacher Alix Smith. They were engrossed in each stage of the process. Firstly, they produced continuous line pen sketches of different types of fish, using their preferred hand. They extended their sketching skills using their alternate hand. The next stage was to collaborate with a partner to create a 3D skeleton of the fish using wire.

Then came the messy part! They covered the wire sculptures in a form of papier mache, then painted the fish using realistic patterns and colours. The end products are beautifully realised, colourful and delicate.

Our thanks to Alix for an excellent session which supported the development of such essential skills.
